The leather in this range is buffed, pigmented and embossed. This ultra-chic leather has a soft handle and grained texture. This category uses a combination of 100% genuine leather on all the seating and comfort areas, with durable leather look fabric in other areas, which enables us to offer you the luxury of leather at a great price. Our genuine leather is soft, supple and perfect for everyday use.

To order swatches of these leathers please call our sales team on 01908 216200
